Tequila!

We couldn't miss the launch of **Oyamel's** third annual **Tequila and Mezcal Festival** Monday, with new food and drink specials on the menu. Oyamel's mastermind **Jose Andres**, is flanked by [Team Spirits Imports'](#) **Clyde Davis** and Mezcal [Fidencio](#) owner **Arik Torren**. Despite his usual enthusiasm, **Jose did not serve food off his naked body.**

Oyamel's GM **Steve Fowler**, Think Food Group beverage director **Jill Zimorski**, head chef **Joe Raffa**, and News Channel 8's **Allison Kenworthy**. Favorite drink: the *Oaxacan Fizz* with [Fidencio](#) and house made horchata, Jerry Thomas bitters, and egg whites. Fave dish: the *scallop ceviche* with tequila and ancho chile.
